

MAISON SOUTINE

Evoking a sense of French tradition through sporting pride, our Prix Fixe menu reflects the Tour de France route. Guiding your tastebuds across the nation by vélo, the menu highlights much-loved dishes from regions and cities along the route, paying homage to our French heritage.

Celebrated annually worldwide, the Tour de France began in 1903 to increase sales for the newspaper L'Auto. The multiple-stage bicycle race held across July is the biggest cycling event in the world, with fans travelling specifically to France to join the festivities.

With the race starting in Barcelona, and the finish line in Paris, it covers 11 regions, all differing in cuisines and traditional flavours.
